Personal Information

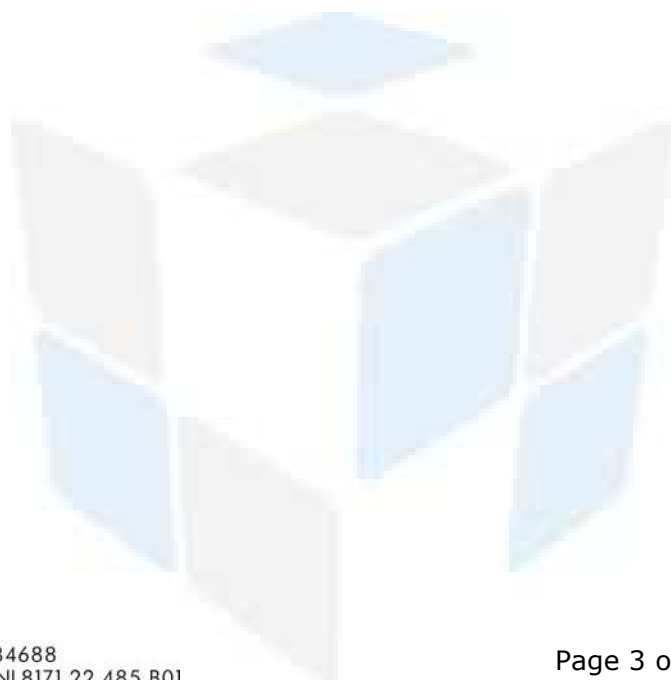

Name	Rimma_N
Gender	Female
Date of birth	25-09-1974
City of birth, country	Tashkent, Uzbekistan
Nationality	Uzbekistan
Highest education	Tashkent State Technical University
Work experience since	12 years
Drivers licence	N/A

Personal Profile

I have been graduated from Tashkent State Technical University (Uzbekistan) as engineer-programmer in 1996, and held certification for MCP in Designing and Implementing Desktop Applications with MS Visual Basic 6.0 in 2000.

In total I have over 11 years experience in software development with additional experience in relational databases. Last 8 years I was involved into web applications development using Java as a server-side programming language and have exposure to the entire SDLC cycle of software development. My objective is to work in an intellectual environment on the latest technologies, conducive to growth and learning and be able to give the best out of my skills.

I will describe myself as a hardworking, responsible, able to work independently and as in the team, with analytical and problem solving skills and ability to learn new technologies quickly.

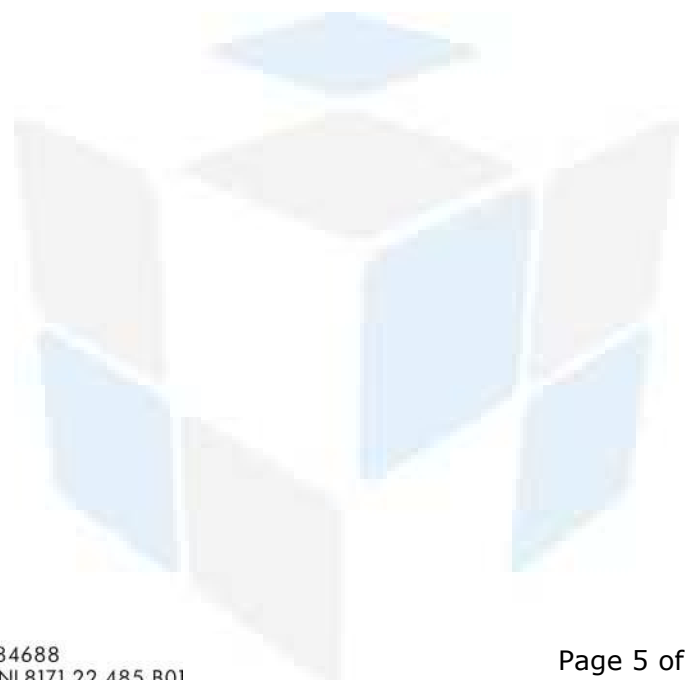

Professional Experience

Assignment	Development of Integrated Run-time Application Platform (LogicXtender)
Period	07-2007 till to date
Company	Nova Knowledge Sdm. Bhd., Kuala Lumpur, Malaysia
Role	Analyst Programmer
Environment	Apache Tomcat 6.0, Apache Web Server, Oracle 10g. Used technologies: J2SE 5.0, Java Beans, Servlets, Multithreading, Log4J, JDOM, JavaCC, DHTML, XML, JavaScript
Project information	LogicXtender (LX) is Integrated Run-time Application Environment for agile development of Web-based Applications, which comprises Web Development Tools and Run-time Application Engine. LX provides various wizards for creating application's entities, such as: domains, contexts, objects, objects categories, sets, user forms, procedures, handlers, reports, queries, import and export templates. These entities also can be defined through LXML (LogicXtender's Modeling Language) and can be altered during run-time, without having to shut down server and interrupting connected users. LogicXtender's Meta Definitions and its Applications data can be mapped to Oracle or MySQL DB relational databases.
Your task and responsibilities	Define, Design, Develop, Debug, Test, Deployment
Amount of people on the project	3

Assignment	Membership and Loans Management System
Period	04-2007 till 12-2007
Company	Nova Knowledge Sdm. Bhd., Kuala Lumpur, Malaysia
Role	Analyst Programmer
Environment	LogicXtender, Apache Tomcat 6.0, Apache Web Server, Oracle 10g.
Project information	Membership and Loans Management System designated to maintain and manage registered memberships of Cooperative and information about loans, track payment records, provide various activity and history reports to the management and bank.
Your task and responsibilities	User requirements gathering and study, Design, Development, Debugging, Troubleshooting, Maintenance support
Amount of people on the project	3

Assignment	Getaway to Mobile Location Center
Period	09-2005 till 04-2006
Company	Inet Thechnologies Sdn. Bhd., Kuala Lumpur, Malaysia
Role	Analyst Programmer
Environment	Apache Tomcat 5.0, MySQL 5.0 Used Technologies: JSDK 1.4.2, Java Beans, Servlet, Log4J, JDOM, JavaCC, Axis-WS, Castor, JavaMail API, Sockets Programming, DHTML, XML, JavaScript, RealmCast Platform (now known as LogicXtender)
Project information	GMLC acts as a middleware between Mobile Location Center and front-end applications (Location Services Clients) and is based on and supporting SUPL Matrix technology from Cambridge Positioning Systems (UK).
Your task and responsibilities	Requirements study, Design, Development, Troubleshooting, Maintenance support.
Amount of people on the project	5

Skills

	Experience in years	Level	Last used year
Operating Systems			
Windows XP (NT...)	12	√ √ √	2008
Programming languages			
Java SE 5.0	9	√ √ √	2008

Servlet Engine (Apache Tomcat 6.0)	9	√ √ √	2008

Indications to be used:

- ✓ Theoretical knowledge/starting practical experience
- ✓ ✓ Relevant practical experience
- ✓ ✓ ✓ Wide up to very wide experience

Education

Name of the institute	Tashkent State Technical University
Place	Tashkent, Uzbekistan
Profession	Engineer-Programmer
Study started	09-1991
Study stopped	06-1996
Graduated	Yes
Additional certificates	Designing and Implementing Desktop Applications with MS Visual Basic 6.0 Microsoft Certified Professional (2000)

Courses and seminars

Period		Institute	Subject
From	Until		
09-1997	10-1997	LOIS Training Center, Tashkent, Uzbekista	Certificate in Developing of object oriented information systems using Cayenne ObjectTeam
09-1997	10-1997	LOIS Training Center, Tashkent, Uzbekista	Certificate in fundamentals of the UNIX Systems

Language Skills

Language	Spoken	Written	Read
Russian	mother tongue	mother tongue	mother tongue
English	fluent	Well	fluent

Personal Interests en additional information

Reading, Travelling, Hiking.
